End User License Agreement for FatigueView Dataset

Last Updated: April 10, 2023

Dataset Usage Rules:

- You must be 18 or older to download.
- At present, it is only open to non-profit institutions such as schools and research institutes, and not to companies and enterprises. Any other use beyond that is prohibited. To ensure the continuous development of this project, we demand responsible use of the data you are about to acquire.
- Without permission, it is not allowed to forward, publish, or distribute this dataset or its subsets to any organization or individual in any ways or by any means.
- Any copy and sharing requests should be forwarded to the official contact email.
- The following publication must be cited whenever making use of this dataset in any publication, or report:
  Cong Yang, Zhengyu Yang, Weiyu Li and John See. FatigueView: A Multi-Camera Video Dataset for Vision-based Drowsiness Detection. IEEE Transactions on Intelligent Transportation Systems, 24(1), 2023, pp: 233-246.

Dataset Access:

- For students, research groups or research institutions who need to obtain this data for academic research, this agreement must be signed by both the Responsible Party (the department head or lab director) and the Point of Contact. The Point of Contact is an individual with detailed knowledge of the dataset application. In some cases, the Responsible Party and the Point of Contact may be the same person.
- Please send the signed Agreement to the official contact email of FatigueView in the form of scanned copy. Please CC the Responsible Party when sending the email.
- We will not accept applications from generic email addresses (e.g., gmail.com, 163.com, etc.). Only applications from email addresses of non-profit institutions are accepted.

Note: Please fill in the form below in printed form, do not use handwriting.
